

AMERICAN SIGN LANGUAGE CERTIFICATE (CAREER)

Program website (<https://www.frederick.edu/programs/arts-humanities/american-sign-language-studies.aspx>)

Program Description

Delivers an understanding of American Sign Language (ASL). Students work towards gaining fluency and mastery of this unique non-verbal language by acquiring foundational language skills and vocabulary. By introducing students to Deaf culture and history through curriculum and service learning hours, acceptance and knowledge of the Deaf community is developed.

By obtaining a certificate in American Sign Language, students have a strong foundation to further their studies in ASL discourse, interpreting, and education of the Deaf, or other related fields. This certificate also provides individuals with the skills they need to work with the Deaf community and Deaf individuals more effectively. This certificate can be used to meet the elective requirements of the A.A. degree in General Studies or Arts & Humanities as well as the A.A.S. degree in American Sign Language (ASL) Interpreter Preparatory Program.

Program Learning Outcomes

- Students will apply and transfer their ASL skills at local Deaf community events.
- Students will produce a class project or presentation using ASL.
- Students will demonstrate their ASL skills in communicating with native ASL users.
- Students will employ ASL skills during their internship in a signing environment.
- Students will be able to distinguish the language and culture between Deaf and hearing Americans.
- Students will develop basic skills and knowledge about the Deaf community and apply that skill and knowledge in higher education or training programs to be ASL interpreters in the field of Deaf Education.

Part-time Students

Part-time students should complete courses in the order listed on the pathway. Please contact program manager for questions about part-time status.

Students who take fewer than 15 credits each semester or who require developmental English or Math coursework will need additional semesters to complete their degrees. Summer term and January session classes may help students to make faster progress.

Pathway Legend

Milestone - courses with the Milestone notation should be taken within the recommend credit range to stay on track for program completion.
