# EARLY CHILDHOOD DEVELOPMENT A.A.S. (CAREER)

Program website (https://www.frederick.edu/programs/education-child-care/early-childhood-development-child-care.aspx)

#### **Program Description**

Prepares students to work in child care centers, Head Start programs, nursery schools, and for self employment as family child care providers or nannies. Program courses fulfill the educational requirements for senior staff, group leader, and director and also meet the Maryland child care credential and state requirements. A grade of "C" or better must be earned in all EDUC and ECED courses.

## **Program Learning Outcomes**

- Identify, apply and discuss major concepts, principles and theories related to child development by completing one or more papers and projects based on observation of children.
- Demonstrate knowledge of developmentally appropriate curriculum and materials for infancy to eight years old through creating and presenting lesson plans.
- Demonstrate characteristics of future teachers by behaving professionally at events and experiences both on and off campus, utilizing college-level skills in course assignments, etc.
- Synthesize their knowledge of the fundamentals and practices of early childhood development through a directed practicum/internship experience.
- Communicate appropriate guidance and behavior modification techniques and theories through case studies and observations.
- Explain, identify and discuss duties of administrators of child care settings through one or more papers and projects.
- Generate resources on appropriate children's literature based on indepth review.
- Explain and identify the major theories, historical roots and theorists in the field of early childhood education by completing one or more projects and papers.
- Develop a broader knowledge base by successfully completing coursework in general education courses.

# **Program Requirements**

- Students must complete their credit English and Mathematics within the first 24 credits
- One course must meet the cultural competence graduation requirement (https://frederick-public.courseleaf.com/generaleducation-core/#cultural).
- CORE: The General Education CORE is that foundation of the higher education curriculum providing a coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. http://artsys.usmd.edu/
- In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course

- list will satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting these courses.
- For the Physical Education, Health, or Nutrition requirement, a 3-credit PHED, HLTH, or NUTR course may satisfy the requirement in place of a 1-credit course. Students should check with an advisor before selecting this course.
- Students must earn a grade of "C" or better in ENGL 101 English Composition.
- Students must earn a grade of "C" or better in all EDUC and ECED courses in the Early Childhood Development A.A.S. program.

|  |     |
| ECED 101 Child Development & Behavior  |     |
|  | 3   |
| Select one of the following courses:   | 3   |
| ECED 110 Early Childhood Special Education   |     |
| EDUC 230 Foundations of Special Education (satisfies cultural competence requirement)  |     |
| Electives  |     |
| Select six credit hours in consultation with an advisor or the transfer institution (ARTSYS)   |     |
| Total Credits  | 6   |

If HLTH 150 Health Education or HLTH 160 Stress Management are not taken, an additional 1/3 credit PHED, HLTH, or NUTR course will need to be taken to satisfy the Physical Education, Health, or Nutrition

Requirement.

2

Targeted for transfer students.

## **Transfer Note**

For more information on careers and transfer, contact the Career and Academic Planning Services office at 301.846.2471 or visit Transfer Services (https://www.frederick.edu/student-resources/counseling-advising/transfer-services.aspx).

# **Guided Pathway to Success (GPS)**

Suggested schedules map your path to degree completion.

Students should meet with an advisor each semester to carefully select and sequence courses based on their specific academic goals and interests. Visit Jefferson Hall or call 301.846.2471 for advising.

|  |  |         |
|  | Total Credits  | 60-62   |

Take this course within the first 24 credits.

2

Prerequisite: EDUC 230 Foundations of Special Education

3

If HLTH 150 Health Education or HLTH 160 Stress Management are not taken, an additional 1/3 credit PHED, HLTH, or NUTR course will need to be taken to satisfy the Physical Education, Health, or Nutrition Requirement.

## **Part-time Students**

Part-time students should complete courses in the order listed on the pathway. Please contact program manager for questions about part-time status.

Students who take fewer than 15 credits each semester or who require developmental English or Math coursework will need additional semesters to complete their degrees. Summer term and January session classes may help students to make faster progress.

### **Pathway Legend**

Milestone - courses with the Milestone notation should be taken within the recommend credit range to stay on track for program completion.

Fall, Spring, Summer - courses with a Fall, Spring, or Summer notation indicate the course is offered in the specified semester only.
