Academic Advisor: Aimee Becker (for students whose last name starts with L-Z)

Email: abecker@frederick.edu

Phone: 301.846.2473

Mid-Maryland Allied Healthcare Education Consortium

Program Description

This area of study prepares graduates to provide immediate care for the critically ill or injured at the site of an emergency. Emergency care is maintained during transport of patients to hospital settings. Instruction includes classroom and clinical experience. Successful completion of the program leads to eligibility to take state and national certification examinations in Emergency Medical Technician-Paramedic. Graduates are employed by fire and rescue organizations, hospitals, private ambulance companies, and other health care agencies. Current EMT certification¹ and all required prerequisite courses must be verified for enrollment in EMSP-160, along with proof of experience as an EMT as outlined by Code of Maryland (COMAR) regulations.

For more information, contact Career and Academic Planning Services at FCC or the Health Sciences Division at Howard Community College, 443.518.1560.

1

EMT certification may be obtained by completing EMSP 106 and EMSP 107.

Program Requirements

Code	Title	Credits
English		
ENGL 101	English Composition ¹	3
Mathematics		
Mathematics Elective (Gen Ed course list) (https://frederick-public.courseleaf.com/general-education-core/#mathematics) - Recommended course(s) below:		3
