## Explanation of Student Tuition & Fee Charges

Tuition and fees partially cover the cost of a student's education. While students contribute a substantial amount toward the cost of attendance at FCC through the tuition and fee charges listed above, the majority of funding for a student's education is provided by Frederick County and the State of Maryland.

### Tuition

Tuition charges are the primary source of student revenue and partially offset the cost of instruction at FCC. Tuition is charged based on each credit hour. Out-of-county and out-of-state students are charged higher tuition rates per credit hour to offset state and county funding provided.

### Special Fees for Recreation, Skiing & Other Courses

The college charges special fees for courses that require significant out-of-classroom experiences which generate additional expenses. The skiing course requires skis and lift tickets. Please refer to the specific PE course for other fees that may be payable directly to the site where the class meets. Some courses may require field trips which may also incur minimal fees.

## Continuing Education & Workforce Development (non-credit) Tuition

Continuing Education courses are individually priced. Refer to the current Continuing Education class schedule for tuition and fees for each class.

Fee	Amount
Out-of-County fee per course*	\$5.00
Out-of-State fee per course*	\$10.00
One-time per year Registration fee*	\$9.00

\*Fees are subject to change.

## Books and Supplies

Students are responsible for purchasing course materials and required supplies for their classes. After registering, use your FCC student ID number to search for course materials on the Bookstore website

bookstore.frederick.edu (<https://bookstore.frederick.edu/>). Note that some classes do not require textbooks. Course material information is published on the Bookstore website at least three weeks in advance of each semester.

The FCC Bookstore accepts cash, check, credit cards, and Bookstore gift cards as payment. Books and supplies can also be charged against available financial aid with completion of the Student Aid Authorization Form. Financial aid awards do not, however, automatically cover the costs of books and supplies. If a third party is covering the cost of your course materials, please email [bookstore@frederick.edu](mailto:bookstore@frederick.edu) for assistance.

its agreement, Frederick Community College reserves the right to bill students directly.

## Schedule of Payments

All tuition charges and fees must be paid by the scheduled due date. Acceptable payment methods include cash, check, money order, credit cards (Discover, Visa, MasterCard, and American Express). FCC also participates in a deferred tuition payment plan for fall, spring, and summer semesters.

Checks and money orders should be made payable to Frederick Community College. They should include the student's name and I.D.

## Financial Responsibility

Students are individually responsible for payment of tuition, fees and all other charges at FCC. If the college does not receive payment from third parties, students will be billed directly for all charges and are expected to pay.

Stopping payment on checks written to FCC to cover tuition and fees does not relieve students of their responsibility to pay for incurred charges. Students must follow the designated procedure for withdrawing from classes and obtaining tuition refunds. Outstanding financial balances must be paid before future registration is permitted, grades are released, or enrollment certifications, diplomas or transcripts are issued.

## Tuition Payment Requirements

Tuition and fees payment deadlines are listed in the schedule of classes. Failure to make a payment by the applicable deadline could result in being dropped from all classes. During peak registration, refunds may be delayed until after the add/drop period. Please ensure that your account is paid in full by the applicable deadlines. View your account online at [www.frederick.edu](http://www.frederick.edu) (<http://www.frederick.edu>) or at the Student Accounts Office. Please note it is the responsibility of the student to drop/change classes and not the responsibility of the college.

## Deferred Tuition Payment Plan

The college offers a payment plan to assist students with tuition. The plan is called Nelnet, and for a minimal fee, tuition costs will be paid automatically in monthly installments from either a checking account or credit card. Students who enroll early benefit from more installments. Students are required to sign up online at [www.frederick.edu](http://www.frederick.edu) (<http://www.frederick.edu>). For more information, contact the Student Accounts Office.

FCC's Deferred Tuition Payment Plan is available for some Continuing Education courses. For more information, call 301.846.2456.

## Tuition Sponsorship by a Third Party

Students are responsible for all tuition and fees. If a third party such as, but not limited to, a federal, state, or municipal government agency or employer agrees to pay tuition and fees, students are not relieved of their primary responsibility. In the event that such a party fails to honor
